About BeShaping

BeShaping urgently needed to fill nearly 50 of 120 contractor roles for one of their most ambitious projects to date, accounting for over 80% of the staffing required for the full project. They chose us as their recruitment partner to tackle this critical issue head-on.

"We started the collaboration with Interrex, and also with Pia, in June 2023. Since then she has always supported us promptly and quickly for all our consultancy requests, always providing excellent profiles. It's a pleasure to work with her, she's always very collaborative and an important partner for us."
